**Objective:** Seeking a position as a Computer Lab Monitor  
**Specializations:** Physics, Mathematics  
**Relevant Experience**

School librarian at ??? School, ???Town, for two years.

Duties as librarian includes:

- Organizing chairs (pushing in or up at appropriate times)
- Cleaning computers, monitors, computer mice, keyboards, and bookshelves
- Shutting down and turning on computers ●Loading printer paper
- Putting litter and unclaimed print jobs in the appropriate bins

Member of Physics forum (<http://www.physicsforums.com>) and Yahoo forum (<http://ca.answers.yahoo.com/>) since 2008. Besides getting help for myself on these forums, I have helped other students with mathematics and physics problems. I am fairly competent with Mathematical programs such as Maple, Mathematica, and  $\text{\TeX}$ .
